START YOUR HOME BUSINESS IN THE ENTERTAINMENT INDUSTRY!

DVMatic is so versatile, it is expandable and may be placed on a window in your store front

DVMatic has so many Advantages:

- Low overhead – avoid both rental and labor fees the video stores incur
- Location – Can easily be located both in doors and outdoors. Potential high traffic locations are:
 - Supermarkets
 - Convenience stores
 - Office buildings
 - Shopping centers
- Easy to use for the customer and easy to manage and operate
